## Notice of Fee Increase on January 1, 2003

If a reply to a "Notice of Allowance and Fee(s) Due" is filed in the Office on or after January 1, 2003, then the amount due will be higher than that set forth in the "Notice of Allowance and Fee(s) Due" since there will be an increase in fees effective on January 1, 2003. See Revision of Patent and Trademark Fees for Fiscal Year 2003; Final Rule, 67 Fed. Reg. 70847, 70849 (November 27, 2002).

The current fee schedule is accessible from: <http://www.uspto.gov/main/howtofees.htm>.

If the issue fee paid is the amount shown on the "Notice of Allowance and Fee(s) Due," but not the correct amount in view of the fee increase, a "Notice to Pay Balance of Issue Fee" will be mailed to applicant. In order to avoid processing delays associated with mailing of a "Notice to Pay Balance of Issue Fee," if the response to the Notice of Allowance and Fee(s) due form is to be filed on or after January 1, 2003 (or mailed with a certificate of mailing on or after January 1, 2003), the issue fee paid should be the fee that is required at the time the fee is paid. If the issue fee was previously paid, and the response to the "Notice of Allowance and Fee(s) Due" includes a request to apply a previously-paid issue fee to the issue fee now due, then the difference between the issue fee amount at the time the response is filed and the previously paid issue fee should be paid. See Manual of Patent Examining Procedure, Section 1308.01 (Eighth Edition, August 2001).

Questions relating to issue and publication fee payments should be directed to the Customer Service Center of the Office of Patent Publication at (703) 305-8283.

### **DETAILED ACTION**

1. This action is in response to applicant's amendment filed on July 22, 2003. **Claims 1,13,15-17,28,30 and 31** are now pending in the present application.

### ***Drawings***

2. In order to avoid abandonment, the drawing informalities noted in Paper No. 8, mailed on July 11, 2002, must now be corrected. Correction can only be effected in the manner set forth in the above noted paper.

### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: the prior art of record fails to disclose or render obvious, alone or in combination, claims 1,13,15-17,28,30 and 31. The subject claims are directed to a system and method for facilitating and controlling voice and data communication among and between a plurality of internal and external telephone sets.

Specifically regarding claims 1 and 17, the prior art of record does not teach or suggest the feature of the voice mail system including the means for selectively initiating and stopping the generation of state message for any specific extension and having the switch transmit state messages to the voice mail system. Allowance is also based upon Applicants' arguments presented in paper No. 13.

The closest previously applied prior art of record Ohsawa discloses of a system and method for facilitating and controlling voice and data communication among telephone sets both internally and externally to the system. Ohsawa fails to teach or suggest wherein the voice mail system includes the means for selectively initiating and stopping the generation of state message

Art Unit: 2645

for any specific extension and having the switch transmit the state message to the voice mail system.

The remaining prior art of record fails to teach the above feature or provide a motivation to add such a feature.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Claims 1,13,15-17,28,30 and 31 have been renumbered to claims 1-8 respectively.

***Claim Objections***
